

A conference exploring the music, work and influence of U2

## U2 BIBLIOGRAPHY

The following list of works is offered as a courtesy for those researching U2 or for those simply wishing to learn more about the band. This list contains major books and essays about U2, with only select magazine or newspaper articles. Entries are listed alphabetically by author's last name. Inclusion on this list does not imply specific endorsement of the particular work. Please send suggestions, corrections, or updates for this bibliography to [research@U2conference.com](mailto:research@U2conference.com).
